

ABOUT THE JUROR

Matt Magee is an international artist who has lived in Phoenix since 2012, and previously maintained a studio in New York City. He creates work in a minimal geometric style that results in paintings, sculptures, prints, assemblages, murals and photographs. His lifelong collections inform the meanings of his abstract images that often appear as grids, spreadsheets, or alphabets that have recorded his ideas. In 1991 Matt received the prestigious Pollock-Krasner Foundation Grant, and in 2017 he was the Arlene and Mort Scult Award winner and in 2018 had a solo show at the Phoenix Art Museum. His education includes a BA in Art History from Trinity University in Texas and an MFA from Pratt Institute in Brooklyn, NY. He most recently published a series of prints with Manneken Press titled *Plugs Bugs & Drugs*. He is looking forward to producing more lithographs with Woolworth Publications in Paris this Summer.

ABOUT THE EXHIBITION

The Shemer Art Center is now accepting entries from Arizona artists of works that showcase geometric patterns for this upcoming juried exhibition.

Artwork entered should demonstrate the various geometric patterns that occur in math, science, textiles, nature, and everyday life. Selected works will be from a variety of media, including but not limited to, painting, drawing, printmaking, photography, ceramics, sculpture, wood, metal, fiber, and glass. Works will be unique in perspective and offer new meaning to repetition and pattern. Artwork can be realistic or abstract, and all artwork must be original.

SUBMISSION GUIDELINES

- Artists are asked to submit up to three artworks in digital format for the jury process.
- Artists may include one detail image for each entry if needed.
- Signature or artist's name must be cropped out or removed from the image!
- Images must be jpg format and 300 dpi
- Images should be no greater than 6 inches on the longest side and approx. 1MB in size.
- Each image submitted should be titled in this format:
