## **NEW YEAR, CLEAN SLATE**

We are so excited about 2022 and our plans for the new year, especially after realizing that over the past two years we were only closed for two months in 2020 and the rest of the time we have been able to continue delivering services and HOPE to our students, visitors and gift shop patrons! Last year, while our traffic was certainly down, we were still able to share visual art education and experiences with over 6,800 visitors, students and volunteers. With our amazing instructors we held over 150 virtual and in-person classes and workshops, and we had the opportunity to work with over 300 volunteers, many of whom helped us keep our Summer Camps for kids going as well as our community events!

Here's to 2022, and the opportunity we have ahead to deliver even more exciting visual art options and experiences for you and your family members of all ages! Please consider us a resource and let us know what else we can provide. We are also continuing to move our Expansion & Legacy Campaign forward and are looking to include as donors the names of Arizona and Arcadia-area families who have always supported the arts and especially our neighborhood gem! Please call us and let's make 2022 great! Thank you!
